ONLINE TEACHER TRAINING PROGRAM

July 2019 – Admission Process

OBJECTIVE

- Good preschool teachers are highly in demand across the world to make the right impact in the early years of children
- Mothers and girls across India are unable to learn from the best in the industry due to their location constraints and household responsibilities
- STTA aims at providing an online platform for women to learn and become certified preschool teachers from the convenience of their homes

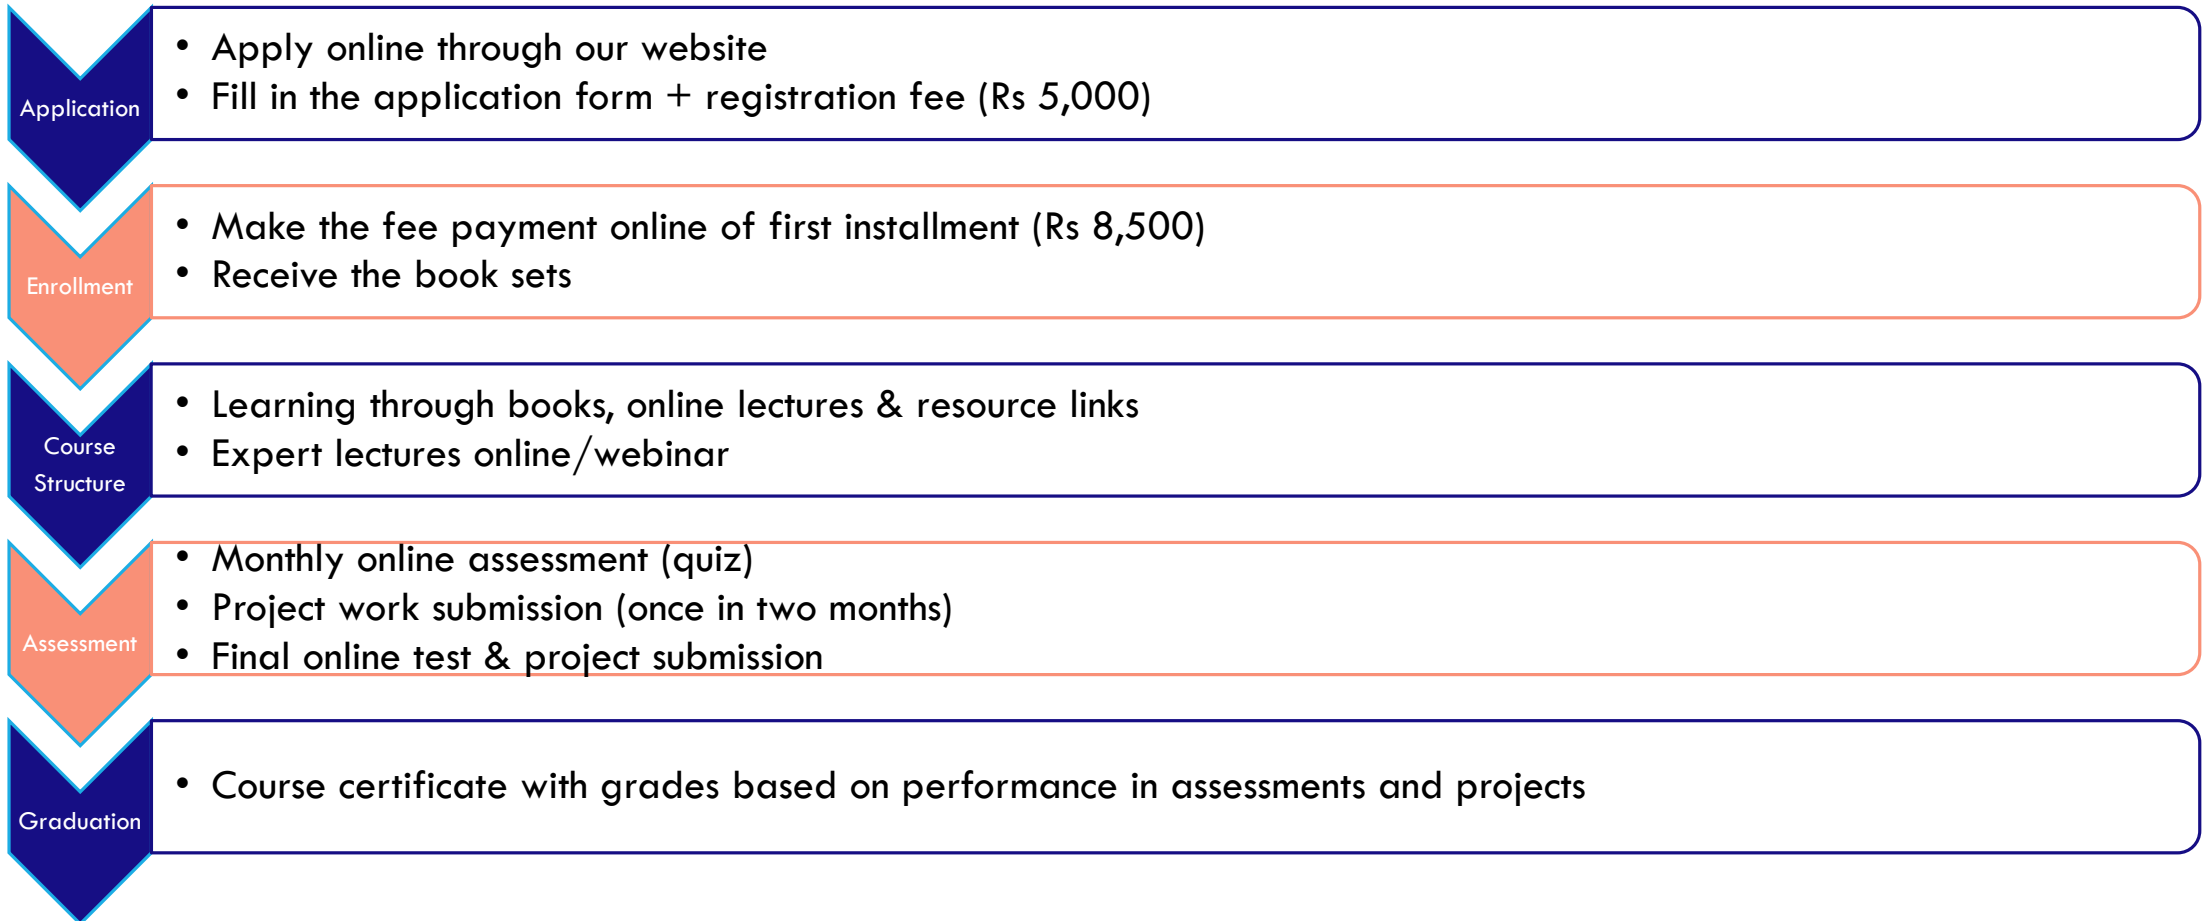

STTA ONLINE IS FOR YOU IF..

WHY STTA ONLINE?

- Provide an online platform for women to learn and become certified preschool teachers from the convenience of their homes
- Strong online assessment and feedback process to ensure participant's learning and understanding
- Expert lectures on webinars
- Assistance in internships in the city of participant's residence to ensure hands on learning
- Invitation to industry expert workshops and events conducted during the year in Pune
